Article 29

In case of guilt, sentences shall be carried out in accordance with the orders of the Control Council for Germany, which may at any time reduce or otherwise alter the sentences, but may not increase the severity thereof. If the Control Council for Germany, after any defendant has been convicted and sentenced, discovers fresh evidence which, in its opinion, would found a fresh charge against him, the Council shall report accordingly to the Committee established under Article 14 hereof, for such action as they may consider proper, having regard to the interests of justice.
